VOL. 2 GLENDALE (Los Angeles Postoffice) CALIFORNIA, SATURDAY, MAY 17, 1919 NO. 24

TELEPHONE SITUATION

Another "telephone session" of the Greater Glendale Development Association was held at the auditorium of the Intermediate School Tuesday night. The meeting was attended by representative citizens from Burbank, Lankershim, and the La Crescenta-La Canada community, and all expressed their intention of standing by Glendale in the fight now being made. A committee who had attended a recent meeting of similar nature at Santa Ana, reported that that city is fighting the telephone company in real earnest.

City Attorney Evans reported the situation as it stands at present and expressed the opinion that the Supreme Court of the United States will rule that the Postmaster General has not the authority to fix rates. He stated that the Railroad Commission had instructed the companies to keep an exact account of all additional money paid in by subscribers on account of increased exchange charges, in order that if a decision is rendered against them they would be in a position to return the money to all subscribers. He said that he believed it would be a good plan for subscribers to withhold the payment of the bills until the latter part of the month, as the Supreme Court will probably have reached a decision before that time.

D. Ripley Jackson, who has charge of the circulation of the protest, announced that more than 1500 had signed, and that many others were waiting only for the opportunity.

Mr. Owen, chairman of the committee appointed to investigate the cost of a municipal telephone system, expressed the opinion that municipal service could be obtained at about half the present charges.

It was the general sentiment of the meeting that the matter must be fought to a finish.

GLENDALE EXCEEDS QUOTA

Although it seemed for a time as if Glendale might have a hard struggle in arriving at her quota for the Victory Loan, the sales at the last were made so rapidly that the amount asked was exceeded by a good margin. Bond sales totaled $235,700, while the quota was only $181,000.

About two hundred workers will be entitled to medals made from cannon captured from the enemy and four German helmets will be awarded to workers as follows: To Mrs. Hull, of Kenneth Road, for the largest individual subscription; Philip Wernette and Mildred Meeker, the high school boy and girl who sold the largest number of bonds at the Tank celebration, and to Troop 2 of the Boy Scouts, the organization making the largest number of sales.

It is estimated that the nation has subscribed a billion dollars more than the sum asked.

THE G. A. R. ENCAMPMENT

The Annual Encampment of the G. A. R. and W. R. C. has been in session at Santa Ana this week, with quite a large attendance from the local organizations. Henry Banta, of Fresno, came here and joined his old comrade-at-arms, Major Weller, and the two old veterans were the guests of Mrs. Bishop, of Orange, whose father was a member of the same 17th Indiana Infantry.

Comrades Barrett, Gillette and Taylor were also in attendance, while the W. R. C. was represented by Mrs. Quintina Hammond, Effie Ripley, Edith Brucks, Jessie Phillips, Lillian Peckham, Adelaide Imler, and Priscilla Houdyshel.

The meetings closed Friday night with the installation of the newly elected officers.

The Encampment will meet next year at Santa Barbara.

VISIT ORPHANAGE

About one hundred and twenty-five Glendale Knights Templar visited the Masonic Orphans' Home at Covina Sunday, and entertained the boys and girls with a picnic lunch and program.

It is the plan to make this visit or the Glendale commandery to the Home an annual affair, with "Mother's Day" as the date.

WINS SINGING CONTEST

Glendale came out winner by a good margin in the contest between the community choruses of Hollywood and this city, held at Hollywood on Tuesday evening. The judges of the contest were Mrs. Carrie Jacobs Bond, the famous song writer, Mr. Colby, editor of Pacific Coast Music, and Miss Virginia Graeffe, of Cleveland, Ohio, who has had much to do with community singing in the East.

The partition between the present post office room and the room to the north is being torn out, and other alterations are being made, to give the local post office force more room for their work.

PROCEEDINGS OF BOARD OF TRUSTEES

Board assembled at 8 p. m., Thursday night. All members present.

The minutes of the last regular meeting were read and approved.

Oral communications were called for, and Mr. William Brunton addressed the Board in reference to proposed improvement of Mariposa Street from Windsor Road southerly. Mr. Brunton was advised to put a petition in circulation to be signed by as many property owners as desire the improvement to be made, indicating their wishes.

Municipal Telephone System

The matter of a municipal telephone system and the present status of the controversy in regard to telephone rates was brought to the attention of the Board by Mr. Woodward, followed by Messrs. Owen, Cowan, Booth, Clinton, and others, and the matter was discussed informally at considerable length. A report was called for from the Engineer of the Public Service Department, who stated that he only could report progress in the short time he had given to the matter, but stated that investigation had shown that his previous estimate of the cost of a municipal system is practically correct, namely: $300,000. Mr. Clinton gave some details as to the success of a mutual telephone company in a town in which he formerly resided in British Columbia. Mr. Cowan stated his belief that any relief given by any decision of the Supreme Court in the present case, or by action of Postmaster General Burleson would be only temporary; that the disposition of the company seemed to be to enforce higher rates as long as it had it in its power to do so.

On motion of Trustee Henry, a motion was adopted by roll call, all voting aye, authorizing the employment of an engineer thoroughly familiar with the telephone business to work in conjunction with the Engineer of the Public Service Department, and to secure and make report as soon as possible in regard to the cost and other details connected with the subject that it is desirable to secure at the present time.

On motion of Trustee Woodberry, it was declared to be the intention of the Board of Trustees, if the report of the engineers warrants such action to order an election at which will be submitted to the people of Glendale the question of the establishment of a municinpal telephone system.

Hearing of Application Postponed

A hearing of the application of the Los Angeles and Santa Paula Daily Express for permission to operate motor trucks over the streets of the City of Glendale having been set for this date was called up at this time. There being no one present representing the applicant, on motion of Trustee Shaw the hearing was postponed until 8 o'clock p. m. May 22, 1919.

Application was presented from Platt's Tire Store, 129 South Brand Boulevard, for permission to install a curb gasoline pump on sidewalk in front of the applicant's place of business. On motion of Trustee Henry it was ordered that the request be granted.

Communications

A communication was read from the agent of the Southern Pacific Ry. Co., Glendale, calling attention of the Board to former correspondence and presentation of the bill amounting to $779.97, for removal of the tower at

Tropico, desiring to be informed as to what action had been taken in regard to payment of the same, and requesting that the matter be attended to promptly. On motion the communication was referred to City Manager and City Attorney to look into the matter in regard to the obligation of the City and to report as to whether the work had been performed.

To File Claim

City Clerk presented a communication from the Board of Supervisors of Los Angeles to the effect that he had been authorized to file claim against the County for the sum of $2,056.45, being the amount of road funds due the City of Glendale on account of annexations of territory May 22 and August 7, 1918. That he is also authorized to file claim, amount to be stated later by the County Auditor, on account of recent annexation of a portion of the Verdugo lighting district to the City of Glendale.

On motion of Trustee Shaw, the City Clerk was directed to file claim in accordance with the letter presented.

Lot Cleaning

The City Manager made a statement in regard to lot cleaning to the effect that this matter had been made difficult by the turning over to the County of Los Angeles of the collection of municipal taxes, and expressed his doubt whether it would be advisable for the City to undertake the work under the same course of procedure previously followed. He suggested the possibility of said work in this direction being done under the authority of a different law, and the Chairman of the Board appointed the City Manager and City Attorney a committee to investigate the matter.

On motion of Trustee Shaw the City Manager was authorized and directed to remove certain arches over the street in the neighborhood of Windsor Road, Raleigh Street, and Glendale Avenue.

Brand Boulevard Bridge Over Wash

The City Manager reported that he had written General Manager Shoup to the Pacific Electric Ry. Co. and furnished the Board of Supervisors with a copy of the letter, requesting action as soon as possible in the matter of the construction of the bridge at Brand Boulevard over the Wash.

The City Manager had prepared the draft of an ordinance amending the building ordinance, and the same was presented by Trustee Woodberry, read, and laid over. He also had prepared an ordinance amending the traffic ordinance, which was presented by Trustee Shaw, read, and laid over.

City Manager reported on the condition of the Glendale & Montrose Ry. tracks at the junction of Broadway and Glendale Avenue, to the effect that the company is preparing to install another track at that point, and on motion of Trustee Henry it was ordered that the company be notified to have this work done within two weeks from date.

struction of a reservoir, and other improvements, all at an estimated cost of $196,000.00; this report being made pursuant to instructions given him by the Board of Trustees meeting of February 27, 1919.

On motion of Trustee Shaw the City Attorney was instructed to draw up a resolution covering the recommendations of the Engineer of the Public Service Department, calling for an election to decide upon the issue of bonds in the amount and for the purpose stated.

On motion of Trustee Shaw the Engineer of the Public Service Department was instructed to procure information at once and make a recommendation to the Board as to the proper person to be employed to work in conjunction with him in the telephone matter.

On motion of Trustee Woodberry, it was ordered that when the Board adjourn it would be to meet on Monday, May 19, 1919, at 8 o'clock p. m.

To Call Election for Park

On motion of Trustee Shaw, the City Attorney was instructed to prepare a resolution calling for an election to pass upon an issue of bonds in the amount of $200,000.00 for the acquisition of a public park, auditorium, and so forth, as per resolution adopted at a recent mass meeting of citizens, held at the High School Auditorium.

Re Paying Phone Bills

The City Attorney had read to the Board a communication addressed to him by the Railroad Commission of the State of California in regard to the payment of telephone bills. The letter stated that because of doubtful jurisdiction, and pending the determination of the same by the Supreme Court, the Railroad Commission will not receive deposits in dispute in the inter-state rates now being charged by any of the companies.

Water Rights

City Attorney reported that he had in his possession the contract between the City and the successors of the Newport Company in Verdugo Canyon in regard to water rights and so forth, properly signed and executed.

Copy of Memorial

On motion of Trustee Shaw the people are requested to send in the names of soldiers and sailors who volunteered in the service of the United States during the late war, so that they may be furnished with a copy of the memorial prepared by the Board of Trustees.

Private Ownership of Telephone Lines

Trustee Shaw presented and moved the adoption of a resolution, copy of which is to be forwarded to each of the Senators and to all of the Congressmen of the State of California, expressing the opinion of the Board that all necessary steps should be taken looking to a speedy return to private ownership of the telephone lines and systems of the country. A copy of the same to be furnished to such Senators and Representatives.

HOME WEDDING

At 8:30 o'clock Thursday evening occurred the marriage of Miss Marguerite Stauffacher, daughter of Mr. and Mrs. J. W. Stauffacher, to Mr. Henson Rogers, of Dallas, Texas. The wedding took place at the family home, 721 Orange Grove Avenue, and was a quiet affair, attended only by relatives and a few intimate friends. Rev. Charles H. Scott, pastor of the First Methodist Church, performed the ceremony.

The bride is well known in Glendale, being a graduate of Glendale Union High School, and has a host of friends. Her father is our City Treasurer, and was formerly engaged in business here. The groom is engaged in the lumber business at Dallas, and the happy couple leave at once for that city, where their home is awaiting them. Miss Pauline Rogers, the groom's sister, was present at the wedding.

Miss Stauffacher was guest of honor on Tuesday evening at a pre-nuptial shower, given by the girls of the Philathea class of the First Methodist Church, at the home of Miss Doris Ingledue, of 501 East Wilson Avenue.

Many citizens of California evidently object to the post office decision that "Calif." is a more practical abbreviation than "Cal.," which unfortunately looks so much like "Col." that letters sent to California go first to Colorado. Considered as a word, however, the abbreviation is not without dignity, but as this dignity is Muhammedan the Californians may not be particularly comforted to think of it. They are already unfortunate in that the origin of their state name is uncertain, although sometimes attributed to an old Spanish romance, "Las Sergas de Esplandian," which gave the name of California to an imaginary island rich in gold and precious stones. The one thing to be said for the change is that abbreviations always look queer until they begin to look customary.—Christian Science Monitor.

GENERAL RECRUITING INFORMATION

For Overseas Service

50,000 volunteers for the Army, between the ages of 18 and 40 are wanted for immediate overseas service.

The branches of the service open for enlistment of the 50,000 volunteers are, Infantry, Cavalry, Engineer Corps, Field Artillery and Medical Department, and any man may choose the branch he prefers.

The enlistment term is for three years only, and is for white men only.

War time pay continues—$30 a month to start.

20% increase (foreign service pay) begins the day the transport leaves the United States.

The Army offers the cheapest and best life insurance in the world.

Vocational trades are taught in every branch of the service. The soldier "EARNS WHILE HE LEARNS."

For Men With Former Army Service

A new enlistment plan—Previous service men may enlist for one year—or may enlist for three years. Men who re-enlist immediately following discharge will receive a 30-day furlough, and travel allowance of five cents a mile (for that vacation at home), and a $60 bonus besides. Those enlisting for three years will be given service overseas, if they want it.

For further information write The Recruiting Service, 660 Market Street, San Francisco.

AT THE PALACE GRAND

A program of unusual interest is offered at the Palace Grand Theatre today. "Yankee Doodle in Berlin," the tremendous Mack Sennett comedy, is one part and another is that big new sensation, "Oh, You Women." The title of the former explains it. The latter is a comedy drama of the homecoming of the soldier boys. This big double bill is offered at the regular prices. Matinee at 2:30

John Barrymore, the star of such pictures as "Raffles," "On the Quiet," and "Here Comes the Bride," is due here tomorrow, Sunday, May 18 in his latest brand new picture, "The Test of Honor." This is a powerful photoplay, a picturization of E. Phillips Oppenheim's famous novel, "The Malefactor." On the same program are Mr. and Mrs. Sidney Drew, in the latest Comedy, "The Amateur Liar." The matinee begins promptly at 2:30 and the evening shows at 7:00 and 9:00 o'clock.

On Monday, comes Lila Lee, the star of "Puppy Love," in her latest picture, "The Secret Garden." This story is by Frances Hodgson Burnett. On the same program will be shown the Pathe News pictures of latest events in Europe and at home. Matinee at 2:30, evening shows at 7:'5 and 9:00 o'clock.

A great Western drama comes on Tuesday. This is "The Usurper," featuring Earle Williams. "John Maddox, American, was master on his Western domain, and his word was law in all things. Beatrice was mistress of nothing but her own heart." On the same program you may see Harold Lloyd (Lonesome Luke) in "Look out Below." It's a big laugh. Matinee at 2:30. Evening shows at 7:15 and 9:00.

One of the most popular of motion pictures, one that made a tremendous sensation two years ago, was "Freckles." This picture, featuring Jack Pickford and Louise Huff, will be given a return showing at the Palace Grand next Wednesday. If you did not see it before, be sure that you do not miss it now. On the same program is "Midbury's Mutterings," a comedy in words, on the subject of "Women." Matinee at 2:30. Evening shows at 7:15 and 9:00.

Cecil B. DeMille's latest picture, "For Better, For Worse," is coming on Thursday. It is even a greater production, it is announced, than his last big success, "Don't Change Your Husband," and it has the same big cast of stars. This picture is making a big hit everywhere. Matinee at 2:30 and evening shows at 7:15 and 9:00.

Viola Dana, who has triumphed in many a good picture, will be seen here next Friday in her latest, "Satan Junior. She is a star you can't help admiring. Burton Holmes outdoor pictures will be shown also. Matinee at 2:30. Evening shows at 7:15 and 9:00 o'clock.

Dorothy Gish will appear in "Peppy Polly" one week from today, Saturday, May 24.

THE CHEERFUL CHERUB

A yellow jacket stung
me so.
It hurt like
everything.
And I'd been very
good that day—
Fate's so
unreasoning.
